LUMINA

Gates Atelier

thank you.

OUR SHELTER

Behind every gate, a rescued dog.

In Türkiye, stray dogs are being rounded up and put down. Every order you place with us helps fund the small shelter we run, where we rescue street dogs and give them a safe place to land.

With gratitude, from all of us at Lumina.

A SMALL FAVOUR

Would you share a review on Etsy?

If your gate has brought a little calm to your home, would you share a few words on Etsy? Every review supports our atelier and the dogs in our shelter, and we read every single one.
